**3. COMMITTEE REPORT 22-14: DETERMINATION REGARDING TELECONFERENCING OPTION FOR JLMC-COP MEETINGS PURSUANT TO ASSEMBLY BILL 361**

Presentation Highlights:

Daniel Powell presented this report and provided the following highlights:

- Assembly Bill 361 allows public bodies the ability to remotely meet during the COVID-19 pandemic. AB 361 requires that the body meet at least every 30-days to make a determination whether it's necessary to continue meeting remotely for the health and safety of meeting participants. Staff recommends that the JLMC-COP make such a finding by adopting the attached resolution.

**Board Action:**

**A motion was made by Charles Leone, seconded by Valerie Melloff, that the JLMC-COP approve staff recommendation to approve the resolution in Committee Report 22-14.**

**The Committee unanimously adopted this motion.**

**4. REQUEST FOR FUTURE AGENDA ITEMS**

Valerie Melloff requested that the committee place Leticia Gonzalez's concern regarding the free parking offered to employees at City Hall for future discussion.

**5. NEXT MEETING DATE**
